The Cinema at Sanctum

Sanctum Soho Hotel houses a luxurious event space – The Cinema at Sanctum. With its own bar, the room is perfect for a wide variety of events from private screenings and presentations to exclusive drinks receptions and press launches for up to 100 guests. The Cinema seats 45 in comfort, with state of the art screening facilities that include a 4m screen and full HD capabilities.

The Cinema at Sanctum is reminiscent of the days when a visit to the cinema was pure escapism, and the design draws on an era of cigarette girls and the glamour of the Odeon cinemas of the 1930's.

Food and beverage options are flexible and of the highest quality. A dedicated Events Team will work closely with you to meticulously plan your event and ensure it runs seamlessly.
